

Dear customer,

Gangl Transfers offers all services for rides all over Europe. We organize airport shuttles, excursions, sightseeing tours, voyages and events. We take over the planning of company celebrations or company excursions, standby services and also pick up and bring services.

Our vehicles

Gangl Transfers owns almost new and high quality vehicles all made by VW. Our drivers have many years of driving experience.

Our capacity

Groups of many people will be brought to their final destination reliably. We take care of VIPs and fulfill all of their individual wishes.

Your individuality

An individual and exactly for your prepared offer requires a transparent pricing. We offer high quality and best prices. On our website you will find all information about the best way to get moved!

Your convenience

We make all transfer rides **especially** and **exclusively** only for our orderer. That is a great advantage for our passengers. There are no detours, waiting times or longer driving distances because of picking up or dropping down further passengers. Unless our orderer demands it.
